Dear Future Tiger,

As President, it is my pleasure to congratulate you on your acceptance to Texas Southern University. I want you to know personally of my interest in you pursuing your higher education goals at Texas Southern University.

Conveniently located in the heart of fourth largest city in the nation, here are just a few of the reasons you should be excited to attend TSU. Texas Southern possesses an array of programs, including 45 undergraduate, 29 masters, and nine doctoral degrees, that I believe makes it a university of first choice. TSU’s College of Pharmacy and Health Sciences, Jesse H. Jones School of Business and Thurgood Marshall School of Law have all received national recognition for the quality of programs offered and graduates produced. Countless students received their foundational training in biology and chemistry programs offered through our College of Science and Technology.

In addition to these programs, we offer some of our top students entrance into the Thomas F. Freeman Honors College, an exclusive and demanding interdisciplinary program that equips members for success at the local, national and global levels. Our Urban Academic Village offers a select group of freshmen students enhanced 24/7 support, including specialized housing with professors, counselors and other high-achieving students.

I wish you continued success and look forward to seeing you on campus in the near future enrolled as a student at Texas Southern University.

Sincerely,

John M. Rudley
President
Greetings New Students, Parents and Family,

Congratulations! Your admission into Texas Southern University is a testament to your personal and academic accomplishments. You have chosen an institution that values and supports your individual contributions. We want to empower you in and out of the classroom to make a positive impact in the lives of others while reaching your highest potential.

We are eager to welcome you to New Student Orientation. During your orientation experience, you will explore new ideas and concepts. Learn how to get involved. Explore ways of making a difference in your collegiate experience. Maybe even discover a new passion. Above all we hope that you will have fun and make friends that last a lifetime.

As you prepare to make the transition to Texas Southern University, make sure to take advantage of all the resources at your disposal. New Student Orientation gives you and your parents the opportunity to learn about resources that support student success at TSU. We will provide more information regarding transfer and career resources, financing your education and your academic division. You will have the opportunity to meet with faculty advisors, counselors and financial aid specialists. You can also tour our facilities and receive answers to your specific questions.

Welcome to Texas Southern University.

TSU Students, Faculties, and Staffs.

From earth to the heav’ns above.
With voices raised, we’re singing praise,
To the school we dearly love.

Refrain
Hail! Hail! Hail! to Texas Southern;
Hail, to our dear Maroon and Gray.
Undivided we will stand
By the greatest in the land.
T-S-U, T-S-U, we love you.

All roads lead to Texas Southern,
Paved with light for one and all.
T-S-U’re a shining star,
And we’re proud of what you are,
T-S-U, T-S-U, we love you.

Hail! Hail! Hail! to Texas Southern;
Hail to our Chiefs in reverence we sing.
In our hearts you’ll always stay
As you lead us on our way,
T-S-U, T-S-U, we love you.
