## Instructions Transfer/Transient/Former Students

- A “transient” student is one who enrolls temporarily for a single course or one term only.
- Submit either a paper or an electronic application ([www.applytexas.org](http://www.applytexas.org)), NOT BOTH. We encourage you to apply online.
- Read page vii and page 8 before you start this application.
- Majors and codes are available on the Internet at [www.applytexas.org](http://www.applytexas.org) and in the *Code Book*, available at [www.collegefortexans.com](http://www.collegefortexans.com), in the admission office of public universities and colleges, and in high school counseling offices.

Check Fall, Spring, Summer I, or Summer II, and enter the year you plan to begin attending. “Mini or short semester” may not apply to all universities.

Check if you are applying as a transfer student, transient student, or former (re-entry) student. Enter the appropriate information for each category. Check all that apply.

### Part I. Biographical Information

1. Enter your Social Security number. The Social Security number is important to match the application with your grade transcript and test scores. The Social Security number is required to give (disburse) financial aid. NOTE: While no specific legal authority requires you to list your Social Security number for the purpose of applying for admission to the university, not providing the information will hold up further processes, such as financial aid.
2. Enter your date of birth (month, day, year). Do not leave blank; this information is required.
3. Enter your full, legal name: last, first, and middle. Do not use nicknames or abbreviations because this information will be used for your official record if you enroll. Use your full, legal name on all documents sent to the institution to which you are applying.
4. Enter other names, if any, under which your transcripts or other credentials may be listed.
5. Designate whether you are male or female.
6. Enter the city, state, and country where you were born.
7. Provide the information regarding your ethnic background. The information will be used for federal and/or state law reporting purposes and may be used by some institutions in admission or scholarship decisions.
8. Answer the questions regarding your citizenship status. If you have one, be sure to include with your application a copy of your permanent resident card and/or Notice of Action from the USCIS.
9. Enter your permanent mailing address and phone numbers. Use the Texas county codes and the two-letter state abbreviations listed in the *Code Book* (refer to “Instructions,” above). Use the county code if your permanent address is in Texas; if it is not, you do not need to provide a code. If you do not have access to the county code information, you may leave this item blank.
10. Enter your current mailing address and phone number only if it is different from your permanent mailing address. Enter the date this address expires.
11. Enter the name and phone number of an emergency contact person.
12. Enter your E-mail address. The inclusion of your E-mail address may allow institutional representatives to contact you with admission information.
13. Indicate what languages (other than English) you speak fluently and for what length of time you have spoken them.
14. Indicate the highest level of your parents’ or court-appointed legal guardians’ educational background.
15. Indicate your family’s gross income, including both taxed and untaxed income, for the most recent tax year.
16. If you plan to apply to more than three universities, fill out the application, leaving item #16 blank, and make copies. Then enter the name of each university to which you are applying. List your first and second choice of major and the appropriate major code(s)/abbreviations for each. Majors and major codes may be found in the *Code Book* (refer to “Instructions,” above). **Send a copy of your completed application to the admission office of each university. Keep the original application for your files.** Refer to page vii for helpful instruction tips.
17. Enter the complete name of the high school from which you graduated, as well as the city and state where it is located. Enter the month and year you graduated. Indicate if you were home-schooled. Have an official transcript sent to each university to which you apply.
18. If you did not graduate from high school, indicate whether or not you have a GED and whether it is the English or Spanish version.
19. Indicate whether you plan to pursue a pre-professional program (e.g., pre-law, pre-medicine, nursing, pre-dental, pre-veterinary, physical therapy, etc.).

20. Check “Yes” if you plan to seek a teaching certificate in addition to your degree and “No” if you do not. If “Yes,” indicate if you will be seeking elementary level (Early Childhood-Grade 4), middle/junior high level (Grades 4-8); high school level (Grades 8-12); or all-level certification.
21. List all college or university courses in which you are presently enrolled, the institution you are attending, the department abbreviation, course numbers, dates taken, and course credit you expect to receive for these courses.
22. List all colleges or universities you have attended. Include their locations, the dates you were enrolled, any degrees you received, and the date the degree was conferred. If in Texas, include their codes (see the *Code Book* -- refer to “Instructions,” above). Have an official transcript sent to each university to which you apply from each college or university you have attended.
23. Indicate whether or not you will have earned a bachelor’s or associate’s degree by the time you plan to enroll. List the college or university from which you have received or will receive the highest degree and the date conferred.
24. Indicate whether you are currently on academic suspension from any college or university.
25. Indicate if you are a member of Phi Theta Kappa, the honor society at community/junior colleges.
26. Indicate the date you took or plan to take one of the following tests for international students: the TOEFL (Test of English as a Foreign Language) or IELTS (International English Language Testing System) test.

### Residency Information

27. – 31. Answer all questions that apply to you. Instructions are noted throughout the questions.
32. Write down any additional information that would help your college or university classify you as a Texas resident.
33. Read both statements carefully. Sign your name and include the date to indicate you understand and agree with each statement.

### Part II. Additional Information

See pages ii through iv to determine if the university(s) to which you are applying requires this section. If it is required, provide complete information on employment, internships, and/or summer activities you have had that indicate your special interests, abilities, challenges, or achievements. You may submit a résumé in addition to this list. Attach it to your application and make a note that you have done so. Spell out names of organizations, clubs, honors, awards, etc.; do not use acronyms.

### Essays

Most universities in Texas do not require essays as part of the admission process. Check the list on pages ii through iv or the web site at [www.applytexas.org](http://www.applytexas.org). Be sure to include your name and Social Security number on each of your essay pages and enclose your essays with your application. If you apply electronically, also include on your essays the web identification number you are given.

### Application Fee

Application fees are listed on pages ii through iv. Include the student’s name and Social Security number on your check or money order. Some universities also accept credit cards. Check with the institution(s) to which you are applying for information concerning a possible waiver of the application fee (i.e., college application fee waiver).

## Procedure for Applying to More Than One College or University

The ApplyTexas Application was created to help make applying to a Texas institution of higher education easier. You are strongly encouraged to apply online at [www.applytexas.org](http://www.applytexas.org).

The following procedure is recommended for students who wish to apply to more than one college or university and who complete a paper application:

1. Each institution has its own unique admission instructions and required credentials. Before mailing your application, refer to the web site or contact the admissions office of each college or university to which you apply for additional institutional information.
2. Complete Parts I and II of the ApplyTexas Application. Leave item #16 blank as you are completing the application.
3. Photocopy the original completed application and make one copy for each college or university to which you are applying. Keep the original application for your files in the event you wish to apply to other institutions at a later time.
4. On each copy of the application, complete item #16 by entering the name of the college or university to which you are applying and your first and second choice of major. Follow the instructions for completing the ApplyTexas Application to ensure proper listing of major(s).
5. Submit one completed application to each college or university to which you are applying, including Part II, essays and application fee if these items are required by the institution. Not all institutions require applicants to send in the same parts of the common application. See the general application information section on pages ii through iv of this booklet to determine what items are required by the institutions to which you apply.

### Essays

Institutions do not require all of the essays. See “General Application Information” on pages ii through iv to determine if you are required to write an essay or essays as part of your application for admission. Unless otherwise specified, your essay(s) should be typed and be no longer than one page (8 1/2” x 11”). Put your name and Social Security number\* (see note below) at the top of each page.

**Topic A. Statement of Purpose:** The statement of purpose will provide an opportunity to explain any extenuating circumstances that you feel could add value to your application. You may also want to explain unique aspects of your academic background or valued experiences you may have had that relate to your academic discipline. The statement of purpose is not meant to be a listing of accomplishments in high school or a record of your participation in school-related activities. Rather, this is your opportunity to address the admission committee directly and to let us know more about you as an individual, in a manner that your transcripts and the other application information cannot convey.

**Topic B. If you are applying as a former student** and were suspended for academic reasons, describe briefly any actions you have taken to improve your academic abilities and describe why you should be readmitted. **If you are applying as a nondegree-seeking or postbaccalaureate applicant**, briefly describe the goals you wish to accomplish if admitted, including the courses you would like to enroll in.

**Topic C.** There may be personal information that you want considered as part of your admissions application. Write an essay describing that information. You might include exceptional hardships, challenges, or opportunities that have shaped or impacted your abilities or academic credentials, personal responsibilities, exceptional achievements or talents, educational goals, or ways in which you might contribute to an institution committed to creating a diverse learning environment.

## Essays, continued

### Topic D.

The essay in this section is specific to certain college majors and is not required by all colleges/universities that accept the ApplyTexas Application. Please see the “General Application Information” in the front of this booklet. If you are not applying for a major in Architecture, Art, Art History, Design, Studio Art, Visual Art Studies/Art Education, you are not required to write this essay.

Personal interaction with objects, images and spaces can be so powerful as to change the way one thinks about particular issues or topics. For your intended area of study (architecture, art history, design, studio art, visual art studies/art education), describe an experience where instruction in that area or your personal interaction with an object, image or space effected type of change in your thinking. What did you do to act upon your new thinking and what have you done to prepare yourself for further study in this area?

### Topic E.

Choose an issue of importance to you – the issue could be personal, school related, local, political, or international in scope – and write an essay in which you explain the significance of that issue to yourself, your family, your community, or your generation.
