COSC 1301/1401	Introduction to Computers	CS 116
or		
ITSC 1301		

A maximum of 66 hours (grades C or better) of freshman and sophomore level credit hours will transfer to Texas Southern University.

*****The core course requirements above reflect the courses as set by Texas Southern University*****

Notes:

1. Some degrees require specific core courses. Please refer to current TSU catalog for complete information on degree requirements.
2. Students who are currently attending TSU should refer to their developmental advisor **BEFORE taking courses at another college.**
3. Texas law states that a core course at any Texas state funded College or University will transfer as "core" to any other Texas state funded College or University. Therefore, you may choose any core courses from the list at that school
4. Core Complete Status will be granted to students with an official transcript from a Texas state funded College or University stating that the core was completed at that school.
5. If you are planning on getting an Associate's Degree, please see your counselor/advisor at your current institution to get a degree plan. The courses listed above reflect the core as set by Texas Southern University.
6. To complete a Bachelor's degree at TSU, you are required to complete your last 30 hours of course work at TSU.
