### 2013–2014 Verification Worksheet  Dependent – Special Group

**What is Verification?**

Your application was selected for a review in a process called Verification by the U.S. Department of Education. The financial aid program rules (34 CFR, Part 668) say before awarding federal student aid, TSU may ask you to confirm the information you and your parents reported on your FAFSA.

To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. This information is required in addition to the information supplied during the completion of the FAFSA. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. If there are differences between the application information and the financial documents, corrections may need to be made to your application requiring your information to be reprocessed. You will receive a new Student Aid Report for your records in the mail with the corrections.

**What you should do?**

1. **Fill in and sign the worksheet** – you and at least one parent.
2. **Submit the completed worksheet and supporting documentation directly to TSU.**

*Processing of your financial aid application cannot be completed without your completed Verification Worksheet and review of information relating to the income and asset information supplied on the FAFSA.*
