Federal Direct Parent Loan (PLUS) Application and Instructions

Purpose:

Parents who are not listed on the student's FAFSA must complete and submit this application prior to the certification of a Federal Direct Parent Loan for the student attending TSU.

The Federal Direct Plus Loan allows parents to borrow federal funds on behalf of a dependent child who is an undergraduate student. The U.S. Department of Education will obtain a credit report on the parent borrower listed on this pre-application. This credit check will be performed prior to the approval of a PLUS loan. A parent borrower who is deemed to have an adverse credit history may be eligible to obtain a PLUS loan with an endorser, or the student may be eligible to borrow additional unsubsidized loan funds.

Process:

- Complete, sign and return Federal PLUS Loan Application to the Office of Student Financial Assistance at the address listed above.
- If the Federal PLUS Loan is approved, the parent will be directed to Master Promissory Note (MPN) studentloans.gov. (Please note a pin number will be required to complete the MPN electronically.)
- The TSU Financial Aid Office will complete the certification within 5 working days after receiving the form.
- The parent borrower will receive a disclosure statement from the U.S. Department of Education.
- The Federal PLUS Loan funds are released to Texas Southern University after the signing of the MPN and receipt of the certification from TSU. The funds will be applied to the student's account within three days of receipt of the check.
- Excess funds are refunded to student and/or parent within 14 working days. (Please reference section D below).
- If the Federal Plus is denied, contact the Office of Student Financial Assistance at 713-313-7071 to discuss alternative forms of financial assistance.

To determine whether certification of the Federal PLUS loan has taken place, the student should visit the TSU MyWeb account under the account summary by term or contact the Financial Aid office. The U.S. Department of Education must have a signed Master Promissory Note from the parent and the certification from TSU prior to releasing the Federal Direct Plus Loan funds to TSU.
