2017-2018 Verification Worksheet Federal Student Aid Programs

Independent – Standard Form

What is Verification?

Your application was selected for a review in a process called Verification by the U.S. Department of Education. The financial aid program rules (34 CFR, Part 668) says before awarding federal student aid, TSU may ask you to confirm the information you and your parents reported on your FAFSA.

To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. This information is required in addition to the information supplied during the completion of the FAFSA. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at TSU. If there are differences between the application information and the financial documents, corrections may need to be made to your application requiring your information to be reprocessed. You will receive an email notification or paper Student Aid Report from the U.S. Department of Education for your records.

What you should do?

1. Fill in and sign the worksheet.
2. Carefully review section C, complete the IRS Data Retrieval or submit the 2015 IRS Tax Return Transcript(s).
3. Submit the completed worksheet, Federal Tax return Transcript(s), and any other documents to TSU.

***Photocopies of the federal income tax return are not acceptable.**

Processing of your financial aid application cannot be completed without your completed Verification Worksheet and review of information relating to the income and asset information supplied on the FAFSA.

C. Student's Tax Form and Income Information (all applicants)

1. Complete this section if the student, FILED OR WILL FILE a 2015 income tax return with the IRS.

The most accurate method of entering income information into the FAFSA is by using the IRS Data Retrieval Tool in FAFSA on the Web. If the student has not already used the tool, go to FAFSA.gov, log in to the student's FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if the student is eligible to use the IRS Data Retrieval Tool to transfer 2015 IRS income tax information into the student's FAFSA. In most cases it takes 2 – 3 weeks after 2015 electronic IRS income tax return has been accepted by the IRS and up to eight weeks for paper IRS tax return filers. If you need more information about when, or how to use the IRS Data Retrieval Tool see your financial aid administrator. Important Note: If the student filed, or will file, an amended 2015 IRS tax return, the student must submit a federal tax transcript.

A. CHECK ONLY ONE BOX BELOW THAT APPLIES:

To obtain an IRS tax return transcript, go to www.IRS.gov and click on the "Order a Return or Account Transcript" link, or call 1-800-908-9946. Make sure to request the "IRS tax return transcript" and not the "IRS tax account transcript." Use the Social Security Number and date of birth of the first person listed on the 2015 IRS income tax return, and the address on file with the IRS (normally this will be the address used on the 2015 IRS income tax return). In most cases, for electronic IRS tax return filers, a 2015 IRS Tax Return Transcript may be requested from the IRS within 2 – 3 weeks after 2015 electronic IRS income tax return has been accepted by the IRS and up to eight weeks for paper IRS tax return filers.
