

FORM APPROVED
 OMB NO. 1845-0041

What is Verification?

Your application was selected for a review in a process called Verification by the U.S. Department of Education. This does not mean you have provided incorrect or suspect information on your Free Application for Federal Student Aid (FAFSA). This does mean that TSU is requesting copies of your and your parent's Federal tax forms, W-2 forms, or other financial documents. The law says we have the right to ask for this information before awarding Federal aid. TSU must review the requested information, under the financial aid program rules (34 CFR, Part 668).

During the verification process, TSU will be comparing information from the student's FAFSA with signed copies of student's and parent(s)' 2006 Federal income tax forms, with W-2 forms or other financial documents. If there are differences between the application information and the financial documents, corrections may need to be made to your application requiring your information to be reprocessed. You will receive a new Student Aid Report for your records in the mail with the corrections.

What you should do

1. Attach your and your parent(s)' financial documents (*signed* Federal income tax forms, W-2 forms included).
2. *Fill in and sign the worksheet*—you and at least one parent.
3. Submit the completed worksheet, tax forms, and any other documents to TSU.

Processing of your financial aid application cannot be completed without your completed Verification Worksheet and signed Federal income tax returns.
