

### F-1 Graduate Students Curricular Practical Training (CPT) Application

<b>Description</b>	Curricular Practical Training (CPT) allows eligible and authorized F-1 students to participate in practical training that is an “integral part of an established curriculum.” The Coop program has been an integral part of the TSU curriculum for many years. The employment must be directly related to your major field of study.
<b>2 Types of CPT for Graduate Students</b>	<b>Option 1:</b> CPT COOP (i.e. Cooperative Education Program). This program requires a student to find a job that is directly related to their major. It is not a required course. <b>Option 2:</b> Required practicum or internship course taken for course credit. If you are taking a required course or will be receiving course credit, you should choose this option. Otherwise, choose Option 1.
<b>Eligibility</b>	Students must have been lawfully enrolled on a full-time basis at a DHS approved school for one full academic year before being eligible for CPT (i.e. fall and spring semesters). Students entering the United States under a new SEVIS ID# must wait to complete one full academic year as a full-time student before they are eligible to apply for OPT. It is only available for F-1 students who are in status and before completion of all degree requirements. Once your degree is completed, all CPT must cease.
<b>Location</b>	Students may only engage in CPT for the specific employer and location that will be recorded on p. 3 of the I-20.
<b>Duration</b>	You may only work for the specific time period noted on p. 3 of your I-20. Time frames are granted for one semester at a time.
<b>Hours per week</b>	Part-time CPT (i.e. less than 20 per week) can be approved only if enrolled in full-time hours except during final semester or summer. Full-time CPT (i.e. more than 20 hours a week) can be approved only if enrolled in at least 3 hours. Full-time CPT must span the entire semester to be eligible for a reduced course load. Different colleges have different policies on who can be engaged in CPT. Therefore, you also need the approval of your academic advisor and college to participate.
<b>Offer of employment</b>	You must obtain a job offer letter that specifies the job title and responsibilities on company letterhead. The letter should state the start date and ending date if it is known.
<b>Effect on other work</b>	Although there is no limit to the amount of full-time CPT, if you do CPT for 12 months or longer you will no longer be eligible for Optional Practical Training (OPT). We normally advise students to stop their participation in full-time CPT after completing 11 months. There is no limit to the amount of part-time CPT a student can participate in (no impact on future OPT).
<b>Approval process</b>	<b>FOLLOW ALL THE STEPS ON THE APPLICATION SHEET AND BEFORE OBTAINING FINAL AUTHORIZATION, YOU MUST BE REGISTERED IN CLASSES FOR THE NEXT SEMESTER, INCLUDING SUMMER, AS APPLICABLE.</b>
<b>Authorization</b>	Authorization by OISA is the final step in the process. You will receive a new I-20 with a notation on p. 3 authorizing your employment. The beginning and ending dates and the name and address of the employer, whether you are approved for full-time or part-time employment will all be found on p.3 of the I-20. <b>Do not work until you are authorized!</b>

This I-20 information, including the employer name, will be in the SEVIS records (see page 31 of the I-9 Employer Handbook of a sample I-20). The student will receive a grade for the CPT.
